**RE: Phase I Environmental Site Assessment
Wesco Autobody Supply
4750 West Overland Road, Boise, Idaho**

To Whom It May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on the property at 4750 W. Overland Road, Boise, Idaho (see attached aerial map). The site is listed by the Ada County Assessor as owned by RIC 23 LTD, an investment company. It is the present location of Wesco Autobody Supply an autobody supply and sales company.

An aerial map with the site location indicated is attached for your assistance. The established address for the site is 4750 W. Overland Road, Boise, Idaho. If you have any questions about the site location please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the sites, or any nearby properties that may impact the sites. Information regarding any area or regional environmental concerns that may potentially impact the sites would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

Please call me at 208.377.2900 if you have any questions or need further information. A written response addressed to me prior to August 29, 2014 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.

A handwritten signature in black ink, appearing to read "Mike Larango", is written over the typed name.

Mike Larango, CES
Field Supervisor
